# HOW TO USE STICKERS ON INSTAGRAM

The below steps provide guidance on how to use our stickers on Instagram . The stickers can also be found on our Giphy account: https://giphy.com/ThisIsEngineering.

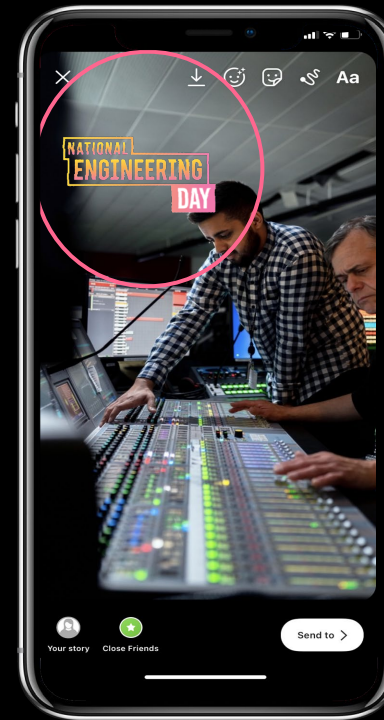

01
Create a new story and click the sticker button in the top corner

02
Use the search bar in GIF to search: **'National Engineering Day'**, **'RAEng'** and **'NED'**

03
Click on a sticker and it will appear on your image/video

04
Post to your Story, or save it to post elsewhere too.
